2017-01-23 06:56:28	[REDACTED]	Outgoing	Read	I know. I just talked with John, we're getting together as soon as I get in to finish that write up for Andy this morning. I reminded John about how I had told Bill and the entire group that we should wait 30 to 60 days after the inauguration to change how we're managing this stuff. As it is, he went ahead, and everything is completely falling off the rails. I think our stuff is good on our cases, but I have no hope or understanding about what they're doing on Jens side of the house. [REDACTED] [REDACTED]

2017-05-08 19:02:00	Tel: [REDACTED]	Outgoing		<p>Talking with Bill - he talked to Carl about the weeklies. Carl only wants Jon and I involved if it's historical. Otherwise he wants him, Bill, you, Baker and Brower to do it (Bill didn't mention [REDACTED] but I assume she's welcome). Paul can come too.</p> <p>I told Bill that right now it's 90%+ historical and a wild waste of AD/certainly EAD time. Whatever, he'll see and continue or not. Good luck having any of them do/coordinate the nitty gritty of the granular of what needs to get done. Have fun.</p> <p>Surprisingly I'm not bitchy about this, rather in a happy zen whatever place.</p> <p>Some more atonspherivs which I can share tomorrow.</p> <p>[REDACTED]</p>

2017-05-09 07:13:00	From: [REDACTED] Peter P. II Strzok	Outgoing	Read	I longingly read an "OPM waits for agencies to send in early retirement buyout options." I need an attitude adjustment. Talked to [REDACTED] yesterday about meditation. Tried and failed this morning.
2017-05-09 07:14:00	To: [REDACTED] Peter P. II Strzok	Incoming	Sent	It's not a success or failure thing. It's just a be present, and when you find that you're not, bring yourself back. There's no judgment attached to it. It just is.

2017-05-09 07:18:36	[REDACTED]	Outgoing		Harumph. No, there's no try, only success or failure. I get you, I do. I'm just tired and cranky. I asked [REDACTED] to come and get numbers on the HA emails. recalled recalled correctly, we didn't count that way (forwards vs backups). Then I can give all the data to Bill to give to Carl to brief and you can listen to it all go sideways. ☹️ f [REDACTED] f people and their egos (that includes me at times) f incompetence, and incompetents f climate surveys F big organizations and the impersonal nature they develop

2017-05-09 07:46:00	From: [REDACTED] Peter P. II Strzok	Outgoing	Read	<p>It will still make Carl cranky, or at least Bill's worried about that. I don't f*cking care any more. I reminded Bill that Dana and in have known each other for 15 years and have a working friendship.</p> <p>He wanted to talk about [REDACTED] (after we discussed the Norfolk USAO, where he physically is right now). They're reaching out to [REDACTED] and otherwise doing alerting stuff. I told him we're ready to partner aggressively with them.</p>

2017-05-09 08:05:00	From: [REDACTED] Peter P. II Strzok	Outgoing	Read	<p>Great.</p> <p>Remind me a comment he made in response to an apparent question about why I'm involved in stuff. What he said was people came to me because they knew me and knew I was good and would get a right answer/action. The implication was a question about why I was involved in so much, with so many people, whether I was a busy body.</p> <p>Nothing like stifling competence. I'm sorry, don't bother me. Because that'll work.</p> <p>I'm really angry Lisa</p>

Nothing changed They MEAN that earnestness. But they're Senators. And this is their game, their rules. We assume its ours, but its not. Andy is the Director and he decides. Period. But undertand this isn't "Monday morning quarterbacking" - I felt strongly about the play well in advance of the game.</p> <p>All these people we're about to give them access to aren't as polished and smart and thoughtful as Andy</p>

I'm just saying I disagree and am concerned about where it ends up. In the end we're one team one fight, Lisa (though I frequently hate people who use that phrase)</p> <p>[REDACTED]</p>
