

Tonight, we put the Republican Party on notice, in defiance to the policy of mass misery they have championed. The US government has established concentration camps around the country for Latino people, shamelessly murders black people, and continues its war machine that has slaughtered Muslim people with impunity for decades. The so-called "Land of the Free" leads the world in incarceration rates per capita, all the while profiteering in the new plantation within the prison walls. While these atrocities persist unabated, the Metropolitan Republican Club chose to invite a hipster-fascist clown to dance for them, content to revel in their treachery against humanity. The Republican Party, joined by their spineless partners-in-crime, The Democrats, institute a policy of domestic and foreign terror felt the world over. Our attack is merely a beginning. We are not passive, we are not civil, and we will not apologize. Those of good conscience and clear mind know this state of oppression cannot remain. The US fascist political system is one of the most savage institutions in history and we will combat it relentlessly until all are free of American barbarism.

Tonight, we put the Republican Party on notice in
